The screenshot displays the Mebin website interface. At the top right, there is a phone icon and the number +31(0)73-2066000, along with a 'Contact' link. The main navigation bar is green and contains icons for 'HOME', 'BETON BESTELLEN', and 'CONTACT'. The Mebin logo, featuring a green swirl and the text 'HEIDELBERGCEMENT Group', is in the top left. The background image shows a yellow concrete mixer truck and a brick house. The main headline reads 'DE GROOTSTE IN BETON' in white, followed by 'direct bestellen, snel geleverd' in white and yellow. Below this, three steps are listed: 'Stap 1 Berekenen' (with a calculator icon), 'Stap 2 Bestellen' (with a calendar icon), and 'Stap 3 Storten' (with a thumbs up icon). A white order form is overlaid on the bottom half of the image. It has a green button labeled 'Beton bestellen' and a green arrow pointing to the right. The form includes a section 'Maak hier uw keuze:' with a dropdown menu for 'Vloer' and a text input for '9 m³'. To the right of the input is a 'Rekenhulp' link with a calculator icon. Further right are checkboxes for 'incl. wapening' and 'incl. pompmixer', both of which are checked. The total price '€1.778,70' is displayed on the right. A green 'Bestellen' button is at the bottom right of the form.
